

Jazz straight time 3

SINGLE STROKE 1

Single Stroke 1: A four-measure exercise on a five-line staff. The first measure contains a single stroke (X) on the top line. The second, third, and fourth measures each contain a triplet of eighth notes on the top line, with a '3' above the notes and a bracket underneath. The notes are on the top line, the space below, and the line below.

SINGLE STROKE 2

Single Stroke 2: A four-measure exercise on a five-line staff. The first measure contains a single stroke (X) on the top line. The second, third, and fourth measures each contain a triplet of eighth notes on the top line, with a '3' above the notes and a bracket underneath. The notes are on the top line, the space below, and the line below.

SINGLE STROKE 3

Single Stroke 3: A four-measure exercise on a five-line staff. The first measure contains a single stroke (X) on the top line. The second, third, and fourth measures each contain a triplet of eighth notes on the top line, with a '3' above the notes and a bracket underneath. The notes are on the top line, the space below, and the line below.

SINGLE STROKE 4

Single Stroke 4: A four-measure exercise on a five-line staff. The first measure contains a single stroke (X) on the top line. The second, third, and fourth measures each contain a triplet of eighth notes on the top line, with a '3' above the notes and a bracket underneath. The notes are on the top line, the space below, and the line below.

SINGLE STROKE 5

Single Stroke 5: A four-measure exercise on a five-line staff. The first measure contains a single stroke (X) on the top line. The second, third, and fourth measures each contain a triplet of eighth notes on the top line, with a '3' above the notes and a bracket underneath. The notes are on the top line, the space below, and the line below.

SINGLE STROKE 6

Single Stroke 6: A four-measure exercise on a five-line staff. The first measure contains a single stroke (X) on the top line. The second, third, and fourth measures each contain a triplet of eighth notes on the top line, with a '3' above the notes and a bracket underneath. The notes are on the top line, the space below, and the line below.

SINGLE STROKE 7

Single Stroke 7: A four-measure exercise on a five-line staff. The first measure contains a single stroke (X) on the top line. The second, third, and fourth measures each contain a triplet of eighth notes on the top line, with a '3' above the notes and a bracket underneath.
